JOHN P. STEVENS
HAWKS BOWLING TEAM
2023 TEAM RULES

It is very important that we come together before the season begins and establish some team concepts and rules that everyone can follow. There are three important factors during the winter season that must be kept in prospective and in order they are…

1. Family   2. Academics   3. Bowling

Family:
Respect your parents or guardians at all times. These are the most important people in your life and you need to always remember that.

School:
1) Keep up with your classes and maintain grades.
2) Be on time to school and all of your classes.
3) Respect and act properly towards everyone in the building.
4) JPS Administration will hold athletes to a high standard.
5) No Drugs, Tobacco, or Alcohol at any time.
6) Think first and then act properly.
7) Keeping a good attitude in the classroom carries over to a good attitude at the lanes.
8) Represent yourself, your coach, your teammates, and the sport well.
9) Let the coach know of any problems that arise.
10) Organize your time wisely.

Bowling:
1) Enjoy playing the game. Remember that it is a GAME.
2) Display good sportsmanship throughout the season.
3) Be present both physically and mentally at each practice and match.
4) Keep a positive attitude at all times.
5) Always give your best effort.
6) Try to help your teammates become better players.
7) Keep yourself physically healthy throughout the season.
8) Be on time to all practices, meetings, and matches.
9) Never bring disgrace to the team.
10) Be accountable for your actions.

PLAYERS ARE EXPECTED TO RIDE THE BUS TO ALL BOWLING EVENTS.
A PARENT MAY TAKE A PLAYER HOME PROVIDED A NOTE IS GIVEN TO COACH THAT DAY. NO SIBLINGS OR FRIENDS CAN PROVIDE THE RIDE HOME.

I will follow these team guidelines at all time during the school year. I understand that my failure to do so could lead to disciplinary actions by the coaching staff and/or the administration of John P. Stevens High School.
