

Stevens Soccer

Playing with Purpose and Vision

As in the past several years the Boys Soccer Teams are producing a **SPORTS CALENDAR** that will feature all three of our teams (Varsity, Junior Varsity and Freshmen teams) from John P. Stevens High School. The calendars are displayed throughout the town and have been very successful in creating awareness and pride of our program in the school system and community, as well as promoting local businesses to new clientele.

The “Back of the Net Club”, our parent organization, is asking for your support of our teams by placing an ad on the 2011 calendar. The donation for the size of each ad is listed below. Please fill out the form below or attach a business card and make checks payable to “Back of the Net Club”.

Thank you for your support.
