Playing with Purpose and Vision

Dear Soccer Players and Parents,

As in the past several years we are producing a **BOYS SOCCER SPORTS CALENDAR** that will feature all three of our teams (Varsity, Junior Varsity and Freshmen teams). The calendars have been very successful in creating awareness and pride of our program in the school system and community.

To make this season’s calendar one of our finest we need your help sponsoring ads. For each ad we are asking for a \$20 donation. Ads can include phrases as simply “Good Luck Hawks - The Smith Family”, though unique slogans or sayings are certainly welcome and encouraged. The calendars will be given to the players free to pass out to family, friends and local business establishments.

Please write your ad in the space below, detach and return it with a check made payable to “Back of the Net Club” to any of the soccer coaches.

Thank You

Coach McMullen
