

Honors Physics

Mr. McMullen

Classroom Rule 1: Be respectful to each other and
objects in the physics classroom

Rule 2: Follow rule number one.

Honors Physics:

Grading Policy:

- *All tests are 100 points (3-4 Tests a marking period)
- *Quizzes are from 20 - 50 points (3-4 Quizzes a marking period)
- *Labs are from 20 - 50 points (12-20 Labs a marking period)
- *Marking Period Written Assignment/Project are 50 points
- *Homework assignments are from 5 - 20 points per assignment

The final marking period grade is determined by your points earned divided by the total points possible for the grading period.

Physics text book is to be brought home and used for homework assignments; it will not be needed in class.
